The Report I of SAR

The Introduction of Our Team

Institute: Artificial Intelligence Academy

Name: Simon,Zhangyu,Liangshuang,NiuNiu

Mentor: Alejandro C. Frery

October 13, 2020

This is the first report of the course Operational Statistics for SAR Imagery. The purpose of this report is providing the basic information of our organized team. Our team is comprised of four members as following(Chinese and English names are in the same order):

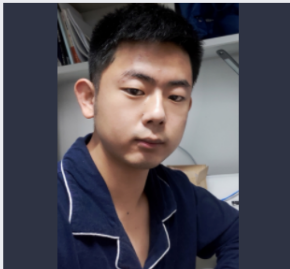

- Simon (Siteng Ma)
- Zhangyu
- Liangshuang
- NiuNiu (Zhening Liu)

Our abilities, interests, contacts, and roles in the team are described in the Terllo board in <https://trello.com/b/kJyfiAg2/sar>. We will continue to update and add our personal information here, which can be our future Homepage of our team in the future.

We also display our interests in this part so that teachers can get to know us more vividly.

- Simon: Basketball, swimming, badminton, drinking some tea, and programming.
- Zhangyu: Long-distance running, badminton and watching drama.
- Liangshuang: Long-distance running and soccer.
- Niu Niu: Skateboard, Go to gym and Enjoy the food

In addition, the selfies of our team are shown in the follows and the Chinese version is written in the next page:
